

## **PRIDE**

HERE 'S MY PRIDE, MY OWN PRIDE  
LET ME SEE, WHAT I FEEL

I LIKE BEING OLD ENJOYING ALL THE WORLD  
I DO NOT CARE ABOUT THINGS I 'VE DONE

I LIKE BEING COOL BEHAVING LIKE A FOOL  
DO NOT THINK ABOUT WHO MAKES FUN

I LIKE BEING GREAT, DON 'T REALIZE IT 'S FAKE  
DO NOT SPEND YOUR LIFE IN LIE

I LIKE BEING SMART BETTER THAN THE ART  
DO NOT FORGET TO WATCH MY LIFE

I LIKE BEING LOVED AS GOD 'S FAVOURITE CRAFT  
JUST APPEAR UNDER HIS GREATEST SUN

WHY DO YOU SPEAK TO ME PLEASE JUST LET ME LIVE  
DO NOT THINK ABOUT WHAT YOU CAN SEE

WHAT 'S WRONG WITH YOUR MIND  
THAT YOU CAN BELIEVE MY CRIME

*I NEED YOUR HUG WHICH HELP ME FEEL SO REAL  
BUT NOONE CAN AFFORD TO DO THIS*

**I 'LL TRY TO FOLLOW YOUR WILL  
BUT I CAN 'T DENY THOSE FEARS  
I CAN SEE IN FRONT OF ME MY NIGHTMARE**

**I 'LL TRY TO FOLLOW YOUR VOICE  
BUT I 'M NOT ABLE TO SPLIT THIS CHOICE  
WHO 'LL SEE WHAT 'S RIGHT, TRUE, WRONG, WHERE,  
THIS CAN GO ALL RIGHT**

...WHAT 'S RIGHT, TRUE, WRONG, WHERE, THIS CAN GO ON,  
PLEASURE, SORROW, MEANING, THINKING, NEVER WANT TO FIGHT, SAY  
IT, WHAT 'S UP NOW???

## **SAVE MY LIFE**

Tell me what is inside my mind and in my thoughts  
Tell my how I can know what´s the right choice!?  
Let me see my own life from a distance, from above  
Help me find the right road to my heart

If I knew which way on a crossroad would lead me to the truth  
If I knew the name of the way...

When I feel your skin  
My body wants to explode and I just want to begin  
Live my life with no more fears

Like I knew this cannot be forever cause the feelings have to be ruled  
If I feel I´ll die...  
Like I knew you´d leave me at the moment you´d stop lovin a fool  
So here I stand – if you have to, kill me now!

I´m fallin..... down..... creepin..... out.....

I wonder how long this habit will take?  
I wonder how long you can long for me?

.....save my life.....

Don´t be scared, make the choice, save my life, save my soul,  
Save my thoughts, it takes so long, don´t be long!

## **BREAK OFF**

I´m creepin out from the shell where I was hiding from the light  
I´m leaving behind all the lies which I´ve told myself

BREAK OF DAY  
BREAK OF DAWN  
BREAK OF LIFE  
BREAK OF MY DREAMS  
I´M BREAKIN A WAY  
I´M BREAKIN A WORD  
BREAK OF MY THOUGHTS

I turned my life when I found your lips, when I found your eyes  
When I discovered your thoughts I spit out the lies oh no

My passion for you wants to blind me now  
My desires scream

I´ve changed my view  
When I climbed your inwards  
When your talons hugged me  
When you stole my soul  
I disappeared  
Melted in the sea take me, take me

I´m lost, frozen when I realize my sins  
My frost follows me  
I fight with myself

## **AIAI**

Get ready... I´ve started to feel the twilight  
Smell of rot. They´re your inner thoughts.  
I can´t breathe – the world stinks.

I started to lead the fight  
Against those who stink too much  
And I´ll break through the walls

I can´t stay awake  
And look at the land  
Which treads to the ending

**I... I just don´t wanna stay  
I can walk through the ocean  
- dry up the ocean**

**I don´t wanna be paralyzed  
I can cure all sick people  
Suffering from their lies**

*-break up with the crust  
-break up with the brier  
-break up with the boor  
(the war broke out)*

My fights are against a firmness  
They lead to the freedom  
They lead to the light

My fears of my own faults  
They´re overcome by the faith  
I´m starting to grow

**Ref:**

**I just don´t wanna stay  
-dry up the ocean, dry up the ocean**

**I don´t wanna be paralyzed  
I can cure all of you  
´cause the war has just broken out**

## **DON ´T WANNA**

I ´ll ride into your eyes and I ´ll never be sure  
What you scream what you mean  
If you need me for more  
Just try try show me the way  
I ´m just fast!!  
I ´ll flow in your soul and I ´ll be blown  
If I miss my way you wanted me to be on  
Just try try help me to be found  
I ´m just fast!!

I wanna walk on your side  
If I ´m able to keep on  
I wanna smell the smoke of the fight  
In myself not to be blown  
I ´m gonna steal the smartest brain  
Just not to make mistakes  
I ´m gonna be awake in a day  
Rather than having a break

I don ´t wanna lie just to feel satisfied  
I don ´t wanna row to be right all the time  
I don ´t wanna blame you for your carelessness  
I don ´t wanna cry just to have what I want

I wanna stay on the right side  
Just to feel your deep deep voice  
I need to see the light  
From the heavens to be sure  
I walk on the right road  
I ´m not on a sinking boat  
Please take off my heavy load  
not to fall down to a moat

## **NO MORE LIES**

I´m like a star  
when I lie in your arms in a bed of sea  
I´m like rain  
when you need me to wash out your brain

I feel like a princess  
when you whisper your words in my ear  
You just want to hide me  
from the whole world which wants to bring me down

And I will dive.... dive into your eyes

LIES no more LIES  
STAY – NO FAKE – NO LIE

I trust in your words  
I can´t be suspicious any more  
I can´t hear the lies  
I started to be deaf, I wanna be blind

And I will dive.... dive into your eyes if you want me always to fly

Save me my dear  
Break the chains  
I´ll fly away

## UNDESERVING

Staying on the street, praying to you my dear  
Thanks for joining me on my way  
I can't forget my sins, can't forget my passion  
Why do you always stay by me?

Here's to you can't tell ya how much I love you  
Thanks for giving me your fullness  
Here's to you now I've got all the passion  
To you and you and you to confess to you!!

I need the rain which washes my sins  
**The things I've done are bleeding like resin**  
**I need to confess my desires scream**  
**I know know know I'm ripping here...**

I'm changing all the time,  
I need your hug your breath your strength  
I'm lying on the floor can't forget my sins my dying soul

I don't deserve your caress but  
I can't live without your words  
I can't accept your gifts but I'd rather die if you're not looking at me

## **DONE HARM**

Feel the rythm of the words from the people ´s mouths  
They hurs, they grind, they knife, they split  
If you don ´t turn your back on them  
They take it for granted  
They can eat you, bite you, swallow the rest of the world  
You can do anythin ´ therefore they long for your done up soul

Feel the rythm of the words from the people ´s chops  
Feel the despair of your life while you ´re touchin ´ them  
Feel the falsity, passion for vulnerability,  
Evil, evil, evil in their eyes

It ´s a junk yard in their hearts  
These jerks have no inner sight  
God can see their acts and how they spoil peoples ´ lives  
It ´s like a joke by a moke  
If you kill just for fun  
This impetus can run you down

I can ´t understand the way they ´re thinkin ´  
I can ´t understand their distinctive words  
I must distinguish the evil and good  
And give a helping hand to those who suffer from their words

Feel the rythm of the words.....

## LIE LIE LIE

Stranger's comin' and it's like I'm dyin'  
Truth is over and I'm spinnin'.....  
Symbols of fear are inside of me  
Never shake in front of him

What's inside of me?  
Devil's inside my head  
When I think about the possibilities of lying  
How you cheat, how you deceive  
Can't find, can't defend, attack

Don't don't don't provoke me  
Telling those pure letters  
Connected to the ropes of obscurity  
My suspicion isn't real  
But it seems to me like that  
Cause the darkness's inside my head

REF

I can't believe men  
Thinkin' if they're fuckin' other girls  
I'm shakin' when they say cruel words

I can't believe men  
Thinkin' if they want to break my heart  
I'm shakin' if you lie lie lie

I can't believe men  
Thinkin' if they want to be unfaithful  
What's up?.....are you afraid of me

I can't believe you – only one I can believe is God

What's up?  
Rrrrrrrrrrrrrrrrrrr I like it!  
Do you feel it feel it feel it???

Make me new way  
Make me new style  
Lead me to a land  
Where the truth is around  
Never tell lies  
Never tell halves  
Never be in  
And never be out  
I'm your dream, nymph, soul, freak.....

## **SCREAMING**

GIVE ME A DOUBLE MARTINI  
TO DRINK HIGH TILL I DIE  
CAN YOU CHANGE INTO JINNI  
TO MAKE ME SOMETHING NICE

WHERE DID I PUT MY MIND, WHY DID I CHANGE MY WAY  
TO LIVE HAPPY AND TRULY NEVER FORGET GOD  
TAKE THE DROPS OF SPIRIT, LOSE YOUR SOUL AND MIND  
DEEP DEEP CLOSER TO THE STATE OF MIND WHERE I´M BLIND

SPIT THE BULLSHIT ON MY CHEST  
DID YOU REALLY WANT TO WREST  
MY INNER THOUGHTS  
DO I HAVE THEM? ARE THEY SOUGHT?

WHO WANTS TO RUB MY MIND, PUT IN ANOTHER PARASITE  
WHEN DID I WASH MY BRAIN TO MAKE ALL THE ACTS I´VE DONE  
WHEN DID I KNEEL ON THE FLOOR  
AND PRAY TO YOU MY LORD  
TO GET RID OF THE THOUGHTS, MY DAYDREAMS

**SCREAM HEARD FROM THE STORM**  
**I WANNA FLY IN THE CLOUDS AND SEE THE WORLD UPON**  
**IT´S ME IN HERE I CAN SEE**  
**BRAKIN´ THE BOUNDS**  
**TELL ME THE TRUTH ABOUT MYSELF WHEN I´M BLIND**

CAN YOU HEAR MY VOICE  
CAN YOU HEAR MY SCREAMIN´  
I WANNA LET YOU GO  
IN TO MY BOWELS – INSIDE

I KNOW YOU HEAR MY SCREAMIN´ DON´T YOU LEAVE ME NOW  
I WANNA HEAR YOUR BREATH WHEN I´M LYIN´ DOWN  
I KNOW YOU HEAR MY QUESTION  
YOU CAN FORGIVE MY THOUGHTS  
I KNOW YOU GIVE THE ANSWERS HOW TO GET RID OF THE LOAD
